

Application for Special Request Funding for Projects/Programs

This form is to be used by organizations that are making a special request for funding. Soroptimist International of Junction City's criteria is that the funding is primarily for the betterment of women and children. Each organization is allowed one request per fiscal year. Attach additional information if needed.

As a condition for the awarding of funds, the recipient of any award is asked to recognize and publicize how SI of Junction City has helped to make your endeavor possible. Allow six to eight weeks for the review process of your request. Applications should be received October 1st through April 30th.
